Join Center City's Before and After Care Program!

Looking for a safe and stimulating program for your child before and after school? Center City offers high-quality before and after care at an affordable rate!

During before care, students have time to read, review homework, and get ready for the day ahead.

After school and on Wednesday afternoons, students

do their homework, have play time, and engage in educational and engaging activities such as computer coding, tutoring, and literacy-related activities.

All activities are well supervised by experienced and dedicated staff.

REGISTRATION AND PAYMENT

All registration and payment is done through our online system— EZ Child Track. You can find it here: http://www.centercitypcs.org/for-parents/before_aftercare/
