This Special Board Meeting was called to review Material Contracts that need to be approved at this time.

Details about the two contracts:

We are seeking approval of two Material Contracts:

1. New York University - 5 Teaching Residents. Duration: 11/1/2021 - 6/30/2022. Contract Amount: \$50,000. Reflected in FY2022 LEA budget. No bid contract. This contract is considered staffing/renewal and is exempt from bidding.
2. Voyager Sopris - Training for 25 General Education and Inclusion Teachers across grades 3-5 and will take place virtually across 8 days. The training is on foundational literacy and the science of reading. Duration: 10/29/2021 - 6/30/2022. Contract Amount: \$41,242.50. Expense is not reflected in the FY2022 LEA budget. Full contract will be funded by the ESSER III grant. No bid contract. This contract is considered job-related training and is exempt from bidding.

During the Finance Committee meeting of October 22, 2021, L. Adelfio recommended and JD Wilde seconded the motion to send both Material Contracts to the full board for their vote.

The full board approved unanimously via email.
